

Valley Christian School has given Neighborhood Christian Preschool the recognition of an "Exemplary Preschool." NCP was one of the first preschools to be recognized in 2010-2011. We have partnered with one of the best schools in the area, Valley Christian Schools and we commit to prepare our students for Kindergarten with excellence. At its discretion, VCS will present Exemplary Preschool Scholar Award(s) at the preschool's commencement, each Award valued at \$1,000, for qualified preschool graduates who have demonstrated proficiency of required kindergarten readiness skills for VCS and have received an acceptance letter for admission to Valley Christian Schools.
